Pesisir Barat, Lampung

I am a student of Informatics Engineering specializing in software engineering at the University of Lampung, with hands-on experience in HTML, CSS, JavaScript, Node.js, Express, MySQL, Flutter, Java, Python, C++, and A-Frame for augmented reality. I've developed strong communication, teamwork, and presentation skills through projects and open-source contributions. Proficient in Microsoft Office, I'm eager to contribute to impactful projects.

Education

Universitas Lampung ⊘ **- Bandar Lampung, Indonesia**   Aug 2021 - May 2025 (Expected)
Undergraduate in Informatics Engineering, 3.72/4.00

RevoU Tech Academy ⊘   Aug 2023 - Dec 2023
Certificate of completion Data & Software Engineering in

SMA Negeri 1 Pesisir Selatan **- Pesisir Selatan, Indonesia**   Jul 2018 - May 2021
Senior High School in Science, 90.47/100.00

Certifcation

Database Design - Oracle Academy
- Skilled in getting a thorough understanding of fundamental SQL queries using APEX.

Database Programming - Oracle Academy
- Skilled in creating entity-relationship diagrams that are specific to the system under development. Capable of accurately describing a system's relationships, entities, and properties via visual diagrams.

Front End Development Libraries - FreeCodeCamp
- Learning to style sites quickly with Bootstrap and adding logic to your CSS styles using Sass.

Back End Development and APIs - FreeCodeCamp
- Learning back-end app development with Node.js and npm, building web apps using the Express framework, and creating the People Finder micro-service with MongoDB and Mongoose.

Responsive Web Design - FreeCodeCamp
- Learning the languages that developers use to build webpages: HTML (Hypertext Markup Language) for content and CSS (Cascading Style Sheets) for design.

Organisational Experience

Himpunan Mahasiswa Teknik Elektro (HIMATRO) - Bandar Lampung, Indonesia   May 2022 - May 2023
Staff of Engineering Development
Himatro, the Electrical Engineering Student Association at the University of Lampung, was founded on February 28, 1999. Under the Faculty of Engineering's supervision, it continues to actively support electrical engineering students in self-development, potential enhancement, and soft skills improvement.
- Member of the sponsorship division at the Electrical Engineering in Action (EEA) 2022 event.

Organisasi Siswa Intra Sekolah (OSIS) - Pesisir Selatan, Indonesia   Aug 2019 - Apr 2020
Secretary
The Intra School Student Organization (OSIS) is the only official organization in the school recognized by the Ministry of Education, Culture, Research and Technology of the Republic of Indonesia since March 21, 1970. The organization has a role as a motivator for students to actively contribute to the school.
- I am actively involved in all OSIS programs and actively participate in various activities organized by the club.

Skills, Achievements & Other Experience

- **Soft Skills**: Teamwork, Adaptable, Time Management, Flexibility, Creativity, Problem-Solving, Spirit.
- **Hard Skills**: Programming Language (C++, CSS, SQL, Python), Microsoft Office (Word, Excel, Power Point), Language (Intermediate English & Native Indonesian) and Video and Photo Editing (Adobe Photoshop, Davinci Resolve).
